Subject: Facial Recognition
Date: Tuesday, January 8, 2019 11:40:14 AM

I was just at a meeting and I was told you might be interested in anyone who has knowledge about facial recognition. I went to a facial recognition class about two months ago that was put on by Vigilant Solutions and I am fairly knowledgeable about it. If you need any input, I would be glad to help.

Detective Lance O'Nesky #824
Bakersfield Police Department
Cold Case Homicide
(661)326-3275
